"Inspired to Serve"

We are a great team “Inspired to Serve” your company

- ▶ Port Auxiliary Services Ltd (PAS) was established in 1999 in Gibraltar, one of the world’s leading bunker ports, to represent DNVPS (Det Norske Veritas Petroleum Services), which is now VPS (Veritas Petroleum Services).
- ▶ PAS began its expansion in the Mediterranean and Atlantic in 2013 with the creation of PAS (Spain) servicing Algeciras, Ceuta, Las Palmas, Tenerife and all other Iberian ports in the Peninsula. In 2015 the Piraeus office was established servicing all Greek islands including Crete. PAS further expanded in 2016 offering services in Malta.
- ▶ **With more than 17 years’ experience** in the field of bunker and cargo surveying, PAS has built on its strengths and has developed a reputation as one of the leading players in bunker and cargo surveying in the locations from which we operate.
- ▶ Our clients and partners include major oil companies, traders, ship owners, charterers, buyers and fully accredited laboratories.

“Inspired to Serve”

Our Mission

- ▶ We are committed to maintaining the highest standards of integrity and professionalism and deliver the full range of our capabilities and resources to meet the needs of our clients 24/7/365.
- ▶ We are able to do this through the support of our comprehensive team of highly experienced and qualified marine surveyors which we can mobilise round the clock to serve and protect the interests of our customers and principles.
- ▶ We are committed to putting our clients' needs at the heart of our business, developing and maintaining longstanding relationships based on reliability and trust.
