

Company Services Presentation 2026

Company History

- 1999** ● Port Auxiliary Services Ltd (PAS) was established in Gibraltar, a global hub for bunkering, as a bunker and cargo surveying specialist representing VPS (Veritas Petroleum Services), formerly known as DNVPS.
- 2008** ● Creation of the Harbour Craft Department to strengthen operational capability.
- 2013** ● Launch of **PAS Spain**, providing coverage across **Algeciras, Ceuta, Las Palmas, Tenerife**, and major Iberian ports.
- 2015** ● Opening of the **Piraeus office**, delivering full coverage across Greece and its islands, including **Crete**.
- 2016** ● Strategic expansion into **Malta**.
- 2024** ● Continued growth with service coverage extended to **Egypt**.

With over 25 years of proven expertise in bunker and cargo surveying, PAS has built a strong track record of excellence and earned a reputation as a trusted, leading provider across the Mediterranean and Atlantic regions we serve.

02 | Mission and Values

Our Mission

We are committed to maintaining the highest standards of integrity and professionalism, delivering the full range of our capabilities and resources to meet the needs of our clients

24/7/365

Our comprehensive team of highly experienced and qualified marine surveyors can be mobilized at any time to serve and protect the interests of our customers and principals.

At the heart of our business is our commitment to our clients' needs, building and maintaining longstanding relationships based on reliability and trust.

Our Strengths

24/7/365 Expertise

- **Over 25 years' experience** in bunker and cargo surveying.
- Approved surveyors for **VPS, VISWA, ISS, FOBAS** in all operating ports.
- Active in 15 countries across the Mediterranean and Atlantic.

Local Know-How

- Experienced management team representing client interests efficiently and reliably.
- Operations and customer care located in **Gibraltar, Las Palmas, Piraeus, Malta & Egypt** providing personalized assistance around the clock.

Our Strengths

Expert & Diverse Workforce

- Tailormade services based on client needs.
- Harbour craft services via our marine division in Gibraltar.
- Quick decision-making as a privately held company.

Strategic Locations

- Centrally located in the Mediterranean and Atlantic to provide **personalized support**.
- Quality assurance programs helping clients **save money** and **meet industry standards**.

Our unique strengths have helped us develop a reputation as one of the leading players in bunker and cargo surveying in the locations where we operate from.

03 | Our Certifications & Memberships

We provide end-to-end, tailored solutions designed to support our clients in achieving operational efficiency and full compliance with the highest industry standard.

Our commitment to excellence is reinforced through recognised certifications and memberships that reflect our focus on quality, safety, and corporate responsibility.
